Summer Reading Program

READ!

RENEW!

REPEAT!

June 1 - August 17, 2024

Join Our All Ages Summer Reading Challenge

Celebrate Our Summer at Altadena Libraries June 1 to August 17, 2024. Indulge your curiosity, explore new interests, and connect with our community at more than 100+ events. The theme for this year: Read + Renew + Repeat.

We also invite you to join our all ages Summer Reading/Activities Challenge.

The Challenge

Complete the challenge by earning 5 badges (which gets you a completion badge). Log the minutes you read and activities you complete! You earn a badge for every 100 minutes of reading you log. Challenge yourself to read up to 500 minutes and help us reach our community reading goal of 500,000 minutes!

There also are four categories of activities: Culinary, Ecology, Explore, and Read. Complete 5 activities per category to earn a badge! You'll earn prizes as you go.

Register for the Challenge:

Earn a reusable tote bag (all participants).

Earn Three (3) Badges:

Receive a book of your choice for your age level (all participants).

Earn Five (5) Badges (which gets you a Completion Badge):

Children (ages 0-12) receive an Altadena-themed stuffed animal.

Teens (ages 13-17) receive a gift card.

Adults (18+) receive a gift card.

Completion prizes can be picked up starting June 10, 2024. Prizes are available until August 31 (while supplies last).

You can sign up for our summer reading challenge at the Main Library, during the Summer Reading Kickoff event on June 1, or online at AltadenaLibrary.Beanstack.org.

Free lunches & snacks for kids & teens this summer

Lunch served:
**Altadena Main Library Community Room • Monday - Friday • 11:30am - 12:30pm
June 3 - August 2, 2024 (except 6/19 & 7/4)**

Free lunches and snacks at the library for children and teens 18 years and under. You do not need to sign-up, show identification, or make an application. Lunch will be served on a first come, first served basis. The library offers these healthy meals in partnership with Pasadena Unified School District through the USDA Summer Food Service Program. We hope you will come for healthy lunches, summer reading, and free activities to help young minds and bodies grow and thrive.

All category activities funded through program have a Lunch at the Library logo.

ASSOCIATION

This institution is an equal opportunity provider. The Summer Food Service Program is a program of the U. S. Department of Agriculture, administered in California by the California Department of Education. Lunch at the Library is a project of the California State Library, supported with funds from the State of California.

Altadena Library District staff members are working with the California State Library on an initiative called "Building Equity Based Summers," which is a framework for rethinking summer library services through an equitable lens and promotes planning with the community...not just for them!

So earlier this year, we met with a group of diverse patrons in various community conversations and collected their comments as well as feedback from other community members. Then we used this collective commentary to help us plan many of our summer programs, as designated by the BEBS logo.
